NOTICE INVITING EOI-CUM-EMPANELMENT

The Central Wool Development Board (CWDB), Ministry of Textiles, Government of India, invites Expressions of Interest from eligible and capable entities for empanelment as Technical Support Partners for skill-development and training programmes in the wool, textile and allied sectors.

- The empanelment is intended to create a pool of technically and operationally capable partners that may be engaged for specific projects, locations, job roles or service components as and when required.
- Applicants may seek empanelment for one or more service categories and shall clearly indicate the categories, job roles and geographical locations applied for.
- Submission or acceptance of an EOI, or inclusion in the panel, shall not create any right to receive work or any minimum volume of business.
- Commercial quotations shall not be submitted at this stage. Scope, deliverables, rates, taxes, milestones and payment terms will be finalized project by project and incorporated in the relevant Purchase Order/Work Order/Agreement.
- The Board may add, remove, suspend or reclassify an empanelled partner based on requirements, verification, performance or public interest.

Applications must reach the notified address/mode by the date and time stated in the Important Information Sheet. Corrigenda and clarifications, if any, shall be published/notified by CWDB.

1. BACKGROUND

The Central Wool Development Board (CWDB), Ministry of Textiles, Government of India, is engaged in the promotion and development of the wool sector and associated textile activities across the country. The Board undertakes various developmental initiatives for strengthening the wool ecosystem, enhancing productivity, improving employment opportunities and promoting sustainable growth of the sector.

The textile and wool sector continues to offer substantial opportunities for employment generation, skill development and industrial growth. The requirement of skilled manpower in the wool, carpet, weaving, knitting, woollen garments and allied textile segments has increased considerably.

Accordingly, the Board intends to identify suitable organizations possessing experience in providing infrastructure, technical expertise, qualified trainers and placement support for supporting training and workforce development initiatives in the textile, wool sector.

2. PURPOSE AND OBJECTIVES

The present Expression of Interest has been issued with the objective of identifying eligible organizations, entities engaged in various components of skill development and placement of eligible youth by the CWDB in the sector of wool, textile, and allied sectors. Such components shall include:

- (i) Providing training infrastructure & facilities,
- (ii) Providing certified trainers & other requisite support for multiple programs which may be undertaken by CWDB at training centres across pre-selected locations from time to time.
- (iii) Strengthening industry participation in workforce placement, tracking & monitoring
- (iv) Developing a database of industry organizations possessing suitable capabilities.

Shortlisted companies shall be called for interactions, in person presentation and basis the overall selection criteria may be empanelled.

Please note this EOI is not a promise to award or assign any work in any form. No claims towards the same shall be entertained in any fashions, whatsoever.

3. DEFINITIONS

Board/CWDB: Central Wool Development Board.

Applicant: An eligible entity submitting an EOI.

Empanelled Partner/TSP: An applicant approved by CWDB for one or more categories, locations or job roles.

Training Centre: Premises used for classroom, laboratory, workshop, practical or assessment activity, with the prescribed facilities and equipment.

Trainer: A person possessing the qualification, experience and certification prescribed for the relevant job role/project.

Project Order: A Purchase Order, Work Order, Letter of Award, Agreement or similar written authorization issued for a specific assignment.

Candidate Mobilization: Identification, counselling, screening, enrolment support and related outreach for eligible candidates.

Placement Tracking: Verification and periodic tracking of employment/self-employment outcomes and maintenance of supporting records.

4. CATEGORIES AND SCOPE OF SERVICES

Applicants may apply for one or more of the following categories. Exact quantities, locations, job roles, standards, timelines and outputs will be stated in the project-specific requirement or Project Order.

4.1 Category A - Training Infrastructure: centre premises, equipment and facilities

- Provide owned, leased or lawfully arranged premises suitable for the prescribed training batch size and job role.
- Provide classrooms, laboratories/workshops, electricity, lighting, ventilation, drinking water, sanitation, internet/computer access where required, fire and occupational-safety arrangements, accessibility and other prescribed facilities.
- Install, maintain and make available job-role-specific machinery, tools and equipment in safe working condition.
- Permit inspection, geo-tagging, photography, verification and audit by CWDB or its authorized agencies.

4.2 Category B – Trainer & Certified Resources: Trainers, trainer certification and other training manpower

- Source and deploy qualified trainers, master trainers, lab/workshop assistants, centre coordinators, data-entry/MIS personnel and other resources specified in the Project Order.
- Ensure that trainers meet the applicable qualification and experience requirements.
- Arrange Training of Trainers, trainer assessment and certification through the prescribed/recognized mechanism, wherever required.
- Maintain attendance, qualifications, certificates, deployment records and replacement arrangements; obtain CWDB approval before replacing key personnel.

4.3 Category C - Placement facilitation, supervision and tracking

- Develop employer linkages and map realistic vacancies aligned with the trained job roles.
- Coordinate interviews, apprenticeships, wage/self-employment opportunities and joining documentation.
- Supervise placement activity, verify outcomes, collect documentary evidence and track candidates for the period and frequency prescribed for the project.
- Report wages, employer details, retention, attrition and reasons for non-placement in the prescribed format; comply with applicable labour and minimum-wage requirements.
- To have good connect with textile industry/ cluster.

4.4 Category D - Raw material, stationery and training materials

- Procure, store and issue good-quality raw material, consumables, tool kits, stationery, printing, trainee handbooks, identity cards, protective gear and other items specified for the Programme.
- Ensure materials conform to approved specifications and quantities and are available before use.
- Maintain purchase, stock, issue, consumption and balance records, and permit physical verification.
- Dispose of scrap/balance material only as directed in the Project Order or applicable guidelines.

4.5 Category E – Mobilization: mobilization of resources interested to participate in the CWDB managed and conducted programs for training and placement

- Undertake ethical, non-discriminatory outreach through community, industry, institutional and local channels.
- Counsel candidates on job role, duration, attendance, assessment, placement conditions, wages, location and other material terms before enrolment.
- Verify eligibility and documents; prevent duplicate, ineligible, ghost or coerced enrolment.
- No fee shall be charged to candidates unless expressly permitted by the applicable scheme and approved in writing by CWDB.

4.6 Integrated and partial assignments

CWDB may issue an assignment covering all categories or any combination of categories.

Empanelment for a category does not automatically qualify the partner for every job role, state, district or project.

5. ELIGIBILITY CRITERIA

Criterion	Minimum requirement	Evidence
Legal constitution	Company incorporated under the Companies Act (including public or private limited company), LLP, registered partnership firm or proprietary concern.	Incorporation/registration certificate; LLP/partnership deed; GST/PAN/Udyam or equivalent registration, as applicable.
Relevant experience	Demonstrable experience in one or more components similar to the category applied for. Experience in training/skill-development assignments must be supported by work orders/contracts and completion or satisfactory-performance evidence.	Work orders/agreements/MoU/ performance report/ payment proof or client certificates.
Textile-sector preference	Prior execution of wool, textile, carpet, apparel, weaving, knitting, handloom, garment or allied training shall receive preference in technical evaluation.	Client certificate/work order or any other relevant document
Financial standing	Positive net worth as at the end of the latest audited financial year.	CA certificate with UDIN.
Blacklisting	Applicant must not be blacklisted, debarred or prohibited by any Central/State Government, PSU, statutory body or government agency on the last date of submission.	Notarized affidavit/self-declaration in Annexure VII, as prescribed.
Statutory compliance	Valid PAN and GST registration (unless legally exempt); compliance with applicable tax, labour and social-security laws.	Self-certified copy of the valid PAN, GST certificate.
Category capability	Minimum capability evidence for each applied category as specified in Section 6.	Category schedules and supporting documents.

5.1 Entities primarily engaged in skill development and training and/or manpower supply/recruitment

Entities whose principal business is skill development, training and/ or manpower supply, staffing or recruitment, and which do not demonstrate substantive experience and systems for training delivery, trainer development/certification, training-centre management or placement tracking, will ordinarily not be encouraged or considered for empanelment. Mere supply of personnel shall not be treated as similar training experience. This provision does not bar an otherwise eligible training organization merely because it also undertakes staffing or recruitment activities.

5.2 Consortiums and subcontracting

Unless specifically permitted through a corrigendum or project-specific requirement, the application shall be submitted by a single legal entity. The applicant shall disclose all arrangements relied upon for premises, equipment or personnel. Subcontracting, assignment or substitution after empanelment shall require prior written approval of CWDB and shall not dilute the empanelled partner's responsibility.

6. CATEGORY-WISE CAPABILITY

Applicant organizations are expected to submit a document containing the following to demonstrate their experience and capabilities.

Category	Capability	Expected evidence
A	Training centers	Centre-wise address, nature of arrangement viz a viz ownership/lease/arrangement proof, floor area, photographs, capacity, facilities, machinery list, safety arrangements etc.
B	Trainers and other personnel	Job-role-wise CVs/roster, qualifications, experience, ToT/assessment certificates, state/language availability, payroll/engagement arrangement and replacement plan.
C	Placement and tracking	Employer network, sample proof, responsible team, grievance and verification process, placement credentials.
D	Materials and consumables	Supply invoice and payment, preference to a government project supply experience,
E	Mobilization	Mobilization experience PO/Invoice with PO, district reach, channels, past mobilization/enrolment data, screening process, anti-fraud controls and candidate grievance mechanism.

7. PREFERRED EXPERIENCE

The following shall be treated as preferred credentials and may attract higher weightage, but shall not replace the minimum eligibility conditions:

- Assignments relating to wool, textile, apparel, carpet, handloom, weaving, knitting, garment or allied job roles.
- Government-funded or industry-led training projects with verified completion and placement outcomes.
- Multi-location capability and documented centers/trainers in the locations applied for.
- Recognized trainer certification, robust MIS and auditable candidate lifecycle records.
- Demonstrated placement retention and employer verification rather than placement claims unsupported by evidence.

8. APPLICATION AND EMPANELMENT PROCESS

1. Administrative scrutiny for completeness and legal eligibility.
2. Verification of mandatory documents and category-wise capability.
3. Technical evaluation and, where required, presentation/clarification.
4. Reference checks, site inspections, trainer interaction, employer verification and/or system demonstration.
5. Approval and notification of empanelment by category, job role, geography and/or capacity.
6. Project-wise requirement, limited request for quotation/proposal, negotiation or allocation among suitable empanelled partners, as decided by CWDB.
7. Issue of Project Order before commencement of any work.

CWDB may empanel all, some or none of the applicants and may keep applications under consideration pending clarification or verification.

9. INDICATIVE TECHNICAL EVALUATION

Evaluation parameter	Indicative weightage
Relevant similar training/support experience	15
Wool/textile/allied sector training experience	10
Training-center infrastructure and equipment capacity	10
Trainer pool, qualification and trainer certification systems	10
Placement facilitation, supervision and tracking capability	10
Candidate mobilization capability and safeguards	5
Materials/procurement/logistics capability	5
Financial standing, governance and compliance systems	5
Final presentation with capability, experience, approach, quality, innovation etc.	30

Total: 100 marks. CWDB may prescribe an overall qualifying score and/or category-specific qualifying score. The methodology and weightage may be rationalized before evaluation, provided the same principles are applied consistently to similarly placed applicants.

10. EMPANELMENT CONDITIONS

- Empanelment is a pre-qualification arrangement and is not a contract, assurance, exclusivity, grant or guarantee of any work.
- Empanelment shall remain valid for the period of 3 years and may be extended, curtailed, suspended or withdrawn by CWDB.
- The partner shall promptly notify CWDB of any material change in ownership, control, financial status, registrations, blacklisting status, key resources, centers or declared capability.

- CWDB may review, revalidate or reclassify the panel at any time and may invite fresh applications or add partners based on requirements.
- The partner shall not use CWDB's name, emblem, empanelment or project information for publicity or representation without prior written approval.
- All records shall be retained for the period stated in the Project Order/scheme and made available for audit, inspection and verification.
- Data of candidates, trainers and employers shall be processed only for authorized purposes and protected in accordance with applicable law and CWDB directions.

11. COMMERCIAL AND PROJECT-ORDER FRAMEWORK

No commercial bid, rate card or financial quotation is invited with this EOI. Any commercial information submitted unsolicited may be ignored and shall not bind CWDB.

- For each requirement, CWDB may seek a project-specific technical and/or discuss the terms from one or more appropriately empanelled partners.
- Commercial terms may be determined through quotation, negotiation, benchmarking, applicable scheme norms, competitive process or another method approved by the competent authority.
- The final scope, rates, taxes, deliverables, timelines, payment milestones, deductions, performance security (if any), service levels, liabilities and other conditions shall be stated in the relevant Project Order.
- No activity shall commence and no expenditure shall be reimbursable unless authorized through a written Project Order issued by the competent authority.
- Invoices shall be payable only against verified deliverables and documents in accordance with the Project Order; empanelment itself carries no financial value.

12. PERFORMANCE, MONITORING AND QUALITY ASSURANCE

- CWDB or its authorized agency may conduct announced or surprise inspections, physical verification, candidate/trainer calls, employer checks, geo-tagging, record review and third-party audit.
- The TSP shall use prescribed curricula, standards, formats, portals and reporting timelines and shall correct deficiencies within the time allowed.
- False enrolment, proxy attendance, forged certification, diversion of material, inflated placement claims, candidate charging, data manipulation or obstruction of verification may result in recovery, suspension, de-empanelment, blacklisting recommendation and other action under law/Project Order.
- Performance on each assignment may be used for future allocation, continuation or removal from the panel.

15. COST OF PARTICIPATION

All costs of preparing, submitting, presenting, clarifying and supporting the EOI, shall be borne by the applicant. CWDB shall have no liability for such costs regardless of the outcome.

16. RIGHTS OF CWDB

- Accept or reject any or all applications without assigning reasons, subject to applicable law and approvals.
- Amend, suspend, cancel, reissue or withdraw the EOI or empanelment process.
- Seek originals, clarifications, additional documents, client confirmations or presentations.
- Verify information directly with clients, statutory authorities, trainers, candidates, employers and site owners.
- Add, amend, delete, relax or revise the scope of work, procedural requirements in public interest without conferring any right on an applicant.
- Empanel applicants in limited categories/geographies/capacities or impose conditions.
- Remove or suspend a partner for misrepresentation, poor performance, material change, conflict, blacklisting, insolvency or breach of a Project Order.

17. FRAUD, MISREPRESENTATION AND DEBARMENT

If any statement or document is false, misleading or materially incomplete, CWDB may reject the application, cancel empanelment or a Project Order, and invoke contractual remedies. Any debarment/blacklisting action shall follow the applicable process and principles of natural justice.

18. CONFIDENTIALITY AND DATA PROTECTION

The applicant/TSP shall keep confidential all non-public information received from CWDB and shall protect personal data of candidates, trainers and employers. Information shall not be used, shared, retained or published beyond the authorized purpose except as required by law or approved in writing.

19. DISCLAIMER

This document is issued only to obtain capability information and establish a panel. It does not constitute an offer, promise, procurement commitment or authority to incur expenditure. CWDB may

determine its requirements and method of project allocation independently in accordance with applicable rules and approvals.

20. GOVERNING LAW AND JURISDICTION

The EOI process shall be governed by the laws of India. Courts at Jodhpur, Rajasthan shall have jurisdiction, subject to any dispute-resolution provision contained in a subsequent Project Order.
